

FIMS TP INSTRUCTOR COURSE

Thursday June 27th, 2013

**Santorini, Greece
Majestic Hotel**

In cooperation with:

Final Program

Target Audience:

- FIMS Physicians members
- Completed any FIMS Team Physician Courses
- Experienced Speakers

Mission:

FIMS TP Instructors will be capable and competent in leading and organizing FIMS educational Courses in any part of the world.

Objectives:

- 1) To understand the educational cycle for building learner centred course curriculum
- 2) To be able to mentor speakers to provide best learning experience for course
- 3) To gain skills in course organization and implementation
- 4) To understand Educational Theory to integrate Interactive Learning applicable to course planning
- 5) To create and analyze course evaluation strategies as feedback for future development.
- 6) To increase awareness of FIMS resources for course organization.

Format:

- The Instructor course participants will have lunch together on Day 1
- Participants will receive an Instructors Certificate after successful completion of the course
- 100% attendance at the full day is required.
